

Add a logo to the bottom of SSO pages

The following CSS will add a smaller version of the page logo centered on the bottom of every SSO page. A horizontal line will appear above the logo. Add this code to any custom CSS file used.

ubilogin-ss0/ubilogin/custom/templates/default.css

```
#footer {  
  background:#FFF url(/uas/template/default/logo) no-repeat 50% 50%;  
  width:1280px;  
  max-width:1280px;  
  height:130px;  
  padding: 0;  
  border-top:1px solid grey;  
  margin:0;  
}
```

Adjust any media queries respectively for desired behaviour for responsive design.
